2021 CABERNET SAUVIGNON

This wine has been on fire and 2021 is a stunning vintage. Perfectly ripe plums, blackberry, and memories of walking through a native sagebrush field in Walla Walla on a warm fall day. Rich and concentrated from the warmth of the vintage, this wine has fine grained tannin that builds and evolves, has red fruit, subtle hints of graphite and charcoal from great French oak and Italian concrete, and lasts for a long time. Enjoy this new vintage now through the next twenty years!

A handwritten signature in black ink, appearing to read "J.M.D.", is positioned above the name and title of the signatory.
